Docket No. J11L07
US App. No. 10/783,527

REMARKS

The Notice indicated that Fig. 6 described in the specification has been omitted.

After a careful review of the specification, Applicant realizes that there is a clerical error in the sentence on page 2, line 18, of the specification, i.e., Fig. 6 as described in that sentence should be Fig. 5-2. Fig. 5-2 was submitted with the application on February 19, 2004.

Accordingly, Applicant has amended the specification to correct the clerical error. It is believed that no new matter is introduced by the amendment and entry of the amendment is requested.

Respectively submitted
